The Student Code of Conduct is in place to create a safe, healthy, responsible environment that allows UA students, faculty, and staff to be successful in their daily endeavors and long term goals.

Recidivism

from the Latin root words re and caedere, meaning "to fall back." In this instance, referring to a relapse in behavior that violates the Student Code of Conduct.

2015-16 Recidivism of Code Violations

- 20 of 2 incidents
- 10 of 3 incidents
- 5 of 4 incidents

The Recidivism Rate is calculated as follows:

- Percent of Recidivism = (Number of Recidivism / Total Incidents) * 100
